

# Counting the Cost

How much does a packet of 20 cigarettes cost? .....

How many do you smoke a day? .....

If cigarettes cost € ..... and you smoke 20 every day,

If tobacco costs € ..... and you use 25 grams,

that's:

about € ..... a week

over € ..... a month

nearly € ..... a year

### How much does smoking cost you?

Every week? .....

Every month? .....

Every year? .....
