

Dietitian Grade Code 3389

In exercise of the powers conferred on me by Section 22 of the Health Act 2004, I hereby approve the qualifications, as set out hereunder, for the appointment and continuing as a Dietitian in the Health Service Executive

1. Statutory Registration, Professional Qualifications, Experience, etc

(a) Candidates for appointment must:

- (i) Be registered, or be eligible for registration, as a Dietitian by the Dietitians Registration Board at CORU.

And

- (ii) Candidates must have the requisite knowledge and ability (including a high standard of suitability and professional ability) for the proper discharge of the duties of the office.

And

- (iii) Provide proof of Statutory Registration on the Dietitians Register maintained by the Dietitians Registration Board at CORU **before a contract of employment can be issued.**

2. Annual registration

- (i) On appointment practitioners must maintain annual registration on the Dietitians Register maintained by the Dietitians Registration Board at CORU.

And

- (ii) Practitioners must confirm annual registration with CORU to the HSE by way of the annual Patient Safety Assurance Certificate (PSAC).

3. Health

Candidates for and any person holding the office must be fully competent and capable of undertaking the duties attached to the office and be in a state of health such as would indicate a reasonable prospect of ability to render regular and efficient service.

4. Character

Candidates for and any person holding the office must be of good character.

Dated this ^{12th} day of December two thousand and nineteen

Anne Marie Hoey
National Director – Human Resources

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is crucial for ensuring the integrity of the financial statements and for providing a clear audit trail.

2. The second part of the document outlines the various methods used to collect and analyze data. It includes a detailed description of the sampling process and the statistical techniques employed to interpret the results.

3. The third part of the document provides a comprehensive overview of the findings. It highlights the key trends and patterns observed in the data, as well as the implications of these findings for the organization's overall performance.

4. The fourth part of the document discusses the limitations of the study and the potential areas for future research. It acknowledges the constraints of the data and the methodology used, and suggests ways in which the study could be expanded or refined.

5. The fifth part of the document concludes with a summary of the main points and a final statement on the significance of the research. It reiterates the importance of the findings and the need for continued attention to the issues discussed.
