15 June 2017

Re: Praxilene Caps. 100

Dear Pharmacist,

You will be aware of the recent difficulties in retaining continuity of supply for Praxilene Capsules 100. Praxilene Capsules will not be available for a number of months.

Due to the nature of the product and given the exceptional circumstances, as a temporary measure until such time as supplies of the authorised product become available, Naftidrofuryl (Actavis) Capsules may be supplied and will be reimbursed under the GMS and Community Drug Schemes.

This product may be claimed with immediate effect by quoting the following relevant number:

Naftidrofuryl (Actavis) Caps. 100 mg. 84 (A) 55513 €21.00

From July 2017 no other unlicensed brands of Naftidrofuryl will be reimbursable under GMS (Hardship Arrangements) or Community Drug Schemes.

Yours faithfully,

Anne Marie Hoey,
Primary Care Reimbursement & Eligibility.
