Re: Revised eligibility criteria for application to the grade of Senior Staff Nurse

Dear Colleague

Following a review of the eligibility criteria for the post of Senior Staff Nurse it has been decided to remove the specific timelines relating to Irish Public Health Service experience.

Accordingly, the revised eligibility criteria for application to the grade of Senior Staff Nurse will be 20 years post qualification genuine nursing experience.

The revised eligibility will come into effect from 5 November 2008.

Yours sincerely

Brendan Mulligan
Assistant Chief Executive – Industrial Relations
